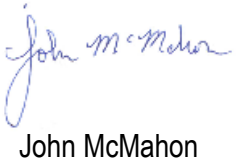
Subject: **PFAS Chemicals**

Per- and polyfluoroalkyl substances (PFAS) are a group of man-made chemicals that include Perfluorooctanoic acid (PFOA) and Perfluoroctane sulfonates (PFOS).

PFAS chemicals are contained within the components of, or used in the manufacture of Banner products having the following product code:

| **Product code** | **Item:** | **PFAS Chemical** |
|---|---|---|
| 50.5020.1301 | Wireless, DX80 PERFORMANCE, GW - Discrete and Analog | PTFE (9002-84-0) in PTFE tape |

Sincerely,



John McMahon
