BETA 7569NG

3-in-1 jacket, with outer jacket and removable inner vest

Certifications and Standards

CE

Features

Style, functionality and protection in every season: the Beta 3-in-1 jacket is perfect for work, practical and with a modern design.

VERSATILITY

Perfect for all seasons: in mid-season, the rainproof and windproof outer shell or the padded gilet offer comfort and practicality; for cold weather, the combination of the two parts guarantees complete protection.

FULL PROTECTION

This garment is equipped with a TPU membrane offering complete protection. Waterproof, windproof and breathable, this membrane guarantees comfort and protection in all situations. Its resistance to water columns of 8,000 mm means that you can face even the rainiest days without worries.

SOPHISTICATED DESIGN

Functional details and refined finishes, enhanced by orange accents inspired by Beta's distinctive colour, combine practicality with a professional look, meeting performance requirements without sacrificing style.

COMPLETE, COORDINATED LOOK

The 7569NG 3-in-1 waterproof jacket is perfect for combining with the other garments in the TOP LINE line, creating a complete and professional work outfit without sacrificing comfort and style.

3-in-1 JACKET

The 3-in1 jacket combines a waterproof and windproof outer shell with a padded inner waistcoat, for a versatile solution that is perfect in any season.

DETACHABLE HOOD WITH STRING ADJUSTERS

The detachable hood offers versatility, adapting quickly to weather conditions, ensuring optimal comfort and protection.

MULTIPOCKET STYLE

Multiple pockets provide organised space to have everything to hand, ensuring practicality and functionality at work.
