BETA 7241NE
EASY leather shoe, water-repellent

Certifications and Standards

CE S3 FO SR EN ISO 20345:2022

Features

The 7241NE water-repellent leather shoe offers effective protection with a penetration proof insole and steel toe cap at an attractive price.

FIRST PRICE

Entry-level solution in our range, designed to offer reliability and safety at the lowest cost.

STEEL/STEEL PROTECTION

The steel toe cap with resistance up to 200 joules and the elastic steel penetration proof insole provide complete protection against impact and punctures.

NEW STANDARD EN ISO 20345:2022+A1:2024

The shoe is S3 FO SR certified according to the latest EN ISO 20345:2022+A1:2024 standard. It is ideal for even the most demanding working environments, thanks to improved slip, oil and penetration resistance.

TRADITIONAL LACING

Traditional lacing allows precise adjustment, ensuring a secure fit and ideal comfort in all situations.

WATERPROOF UPPER

Water-repellent leather offers resistance to external agents, keeping the shoe dry and comfortable even in wet conditions.

COLOUR DETAILS

The details in orange, the institutional colour, add character to the shoe, giving it a touch of style.
