EU Declaration of Conformity

Battery Model:	ER34615 (3.6V, 19000mAh)
Product:	Lithium Metal Battery (Lithium Thionyl Chloride Battery)
Category:	Industrial Battery

This declaration of conformity is issued under the sole responsibility of the manufacturer.

Objective of declaration: Lithium Metal Battery (Lithium Thionyl Chloride Battery), 304Stainless steel case, lithium metal anode, thionly chloride cathode, glass fiber separator, spiral wound construction.

The object of the declaration described	Regulation(EU)2023/1542 of the European
Above is in conformity with conformity with	Parliament and the Council of 12 July 2023
The relevant Union harmonization legislation:	Concerning batteries and waste batteries[1]
References to the relevant harmonized	IEC60086-4
Standards or the common specifications	REACH
Used or references to the other technical	ROHS
Specification in relation to which conformity	
Is declared.
