

SPECIFICATION SHEET

| Type                        | Unit   | LD-BZEG-1203 |
|-----------------------------|--------|--------------|
| Rated voltage               | V      | 3            |
| Operating Voltage           | V      | 2-5          |
| *Rated Current (MAX)        | mA     | 30           |
| * Min Sound Output at 10 cm | dB     | 85           |
| *Resonant Frequency         | Hz     | 2300±400     |
| Housing material            | NORYL  |              |
| Operating Temperature       | ° C    | -20 - +70    |
| Storage Temperature         | ° C    | -30 - +80    |
| Tone Nature                 | Single |              |
| Weight                      | g      | 2.0          |

\*Value Applying at Rated Voltage(DC).

DIMENSIONS      UNIT:mm      Tolerance:±0.5mm

WAVE SOLDER AND WASH ALLOWED
